

For over 154 years, the YMCA of Greater Boston has lived its mission to build health of spirit, mind and body for all and to improve the quality of life for children, individuals, families and communities throughout Greater Boston. The YMCA is more than just a building; we're building health and wellness through innovative partnerships with hospitals, neighborhood health centers, universities and others. And we want these programs and services to benefit everyone in the communities we serve.

Today, the YMCA of Greater Boston is now more affordable than ever thanks to our **Membership For All** program. Each year, the YMCA gives tens of thousands of children, adults and seniors the knowledge, techniques and confidence they need to live long lives. However, we understand that for some, membership may be just out of financial reach.

Membership For All is the YMCA's scholarship program for membership that enables individuals and families in need to become an active member of their YMCA.

Join us as we live our mission everyday:

At the YMCA everyone is welcome.

WANG YMCA OF CHINATOWN
